FAQs

Amazon S3 pricing

Amazon SageMaker Data Wrangler | Import and prepare your data for ML in minutes »

Pay only for what you use. There is no minimum charge. There are six Amazon S3 cost components to consider when storing and managing your data—storage pricing, request and data retrieval pricing, data transfer and transfer acceleration pricing, data management and analytics pricing, replication pricing, and the price to process your data with S3 Object Lambda.

Storage	⌄
Requests & data retrievals	⌄
Data transfer	⌄
Management & analytics	⌃

You pay for the storage management features and analytics (Amazon S3 Inventory, S3 Storage Class Analysis, S3 Storage Lens, and S3 Object Tagging) that are enabled on your account's buckets. S3 Storage management and analytics is priced per feature as detailed in the table below. For pricing on Amazon CloudWatch Metrics, visit the Amazon CloudWatch pricing page. For pricing on S3 Data Events in AWS CloudTrail, visit the AWS CloudTrail pricing page.

Storage analytics and insights pricing

Region: Asia Pacific (Singapore) ⇕

S3 Inventory††	$0.0028 per million objects listed
S3 Analytics Storage Class Analysis††	$0.10 per million objects monitored per month
S3 Object Tagging	$0.01 per 10,000 tags per month

†† The files produced by S3 Inventory and S3 Storage Class Analysis exports are stored in your specified S3 bucket, and are subject to S3 Standard storage charges.

S3 Storage Lens pricing

Region: Asia Pacific (Singapore) ⇕

S3 Storage Lens free metrics†	$0.00
S3 Storage Lens advanced metrics and recommendations†	$0.20 per million objects monitored per month

† For S3 Storage Lens advanced metrics and recommendations, you will be charged object monitoring charges for each Storage Lens dashboard used. The Storage Lens advanced metrics and recommendations pricing includes 15-months data retention, activity metrics, prefix-level aggregation, and CloudWatch metrics support.

S3 Batch Operations pricing

S3 Batch Operations	
Jobs††	$0.25 per job
Objects††	$1.00 per million object operations performed

†† You are charged for S3 Batch Operations jobs, objects, and requests in addition to any charges associated with the operation that S3 Batch Operations performs on your behalf, including data transfer, requests, and other charges.

If your S3 Batch Operations job is S3 Batch Replication, you may optionally pay for an AWS-generated manifest containing a list of objects for Batch Operations to operate on. Please refer to the Replication pricing tab for details.
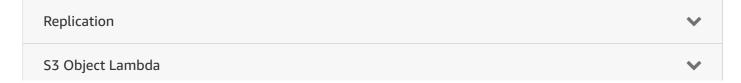

S3 Select & S3 Glacier Select pricing

Region: Asia Pacific (Singapore) ⇕

	Data scanned (price per GB)	Data returned (price per GB)
S3 Standard	$0.0025	$0.0009
S3 Intelligent - Tiering	$0.0025	$0.0009
S3 Standard - Infrequent Access	$0.0025	$0.01
S3 One Zone - Infrequent Access	$0.0025	$0.01
S3 Glacier Instant Retrieval	$0.0025	$0.03
S3 Glacier Flexible Retrieval	See below	See below
Expedited	$0.024	$0.036
Standard	$0.0096	$0.012
Bulk	$0.0012	$0.003
S3 Glacier Deep Archive	n/a	n/a

Except as otherwise noted, our prices are exclusive of applicable taxes and duties, including VAT and applicable sales tax. For customers with a Japanese billing address, use of AWS is subject to Japanese Consumption Tax. To learn more, visit our consumption tax FAQs »

Amazon S3 storage usage is calculated in binary gigabytes (GB), where 1 GB is 2^{30} bytes. This unit of measurement is also known as a gibibyte (GiB), defined by the International Electrotechnical Commission (IEC). Similarly, 1 TB is 2^{40} bytes, i.e. 1024 GBs.

For S3 pricing examples, go to the S3 billing FAQs or use the AWS Pricing Calculator.

AWS Free Tier

As part of the AWS Free Tier, you can get started with Amazon S3 for free. Upon sign-up, new AWS customers receive 5GB of Amazon S3 storage in the S3 Standard storage class; 20,000 GET Requests; 2,000 PUT, COPY, POST, or LIST Requests; and 100 GB of Data Transfer Out each month.

Your usage for the free tier is calculated each month across all AWS Regions except the AWS GovCloud Region and automatically applied to your bill; unused monthly usage will not roll over. Restrictions apply; see offer terms for more details.

AWS Pricing Calculator

Estimate the cost for your storage solution. Configure a cost estimate that fits your unique business or personal needs with Amazon S3. Try out the AWS Pricing Calculator.
